

The Colour of My Skin

SKIN

Workshops that...

-  Present cultural diversity in an interesting and relevant way
-  Develop awareness and cultural intelligence skills
-  Openly tackle racial issues in school, community and society
-  Challenge pupils' thinking about different types of people
-  Provide continual support to staff and help to prepare pupils for today's multicultural British society

Our workshops are presented through a range of activities to facilitate optimum learning. Workshops can be done individually or as a 3-part series at a reduced price with groups of schools in clusters. Tailored workshops are also available. For prices and further information, please contact us. Our workshop menu is as follows:

<p>The Colour of My Skin</p>	<p>Revealing current thinking and opening up new pathways of thought about races and cultures in Britain today - An interactive session that gives an overview of some of the issues, helping to improve interpersonal skills. <i>Suitable for KS 2, Duration: 40mins-1hr.</i></p>
